

Design a Chatelaine Challenge

Thank you to Talitha & Kim for taking the challenge for the Design a Chatelaine contest. Kim did a wonderful job of her two entries. Note that one of the chatelaines she designed is for carrying your technology with you, a USB, an MP3 and your cell phone. Excellent variation! And Talitha, the winner of the challenge, designed a traditional chatelaine with ribbon embroidery that was absolutely exquisite! Congratulations Talitha!

Kim's pieces are the two on the left, and Talitha's piece is on the right. Both Kim and Talitha are from the Les Belles Brodeuses Youth Chapter in Hudson, QC.
