CHAPTER NEWSLETTER GRANT 2009 - 2010

The purpose of the chapter newsletter grant is to encourage the production of a chapter newsletter by assisting with production costs. To be eligible for the grant, chapters should mail or email their newsletters according to the Chapter Newsletter Policy. Most chapters will allow the reprinting of articles from their newsletter, as long as credit is given. It is also courteous to send a copy of your newsletter, with the borrowed article, to acknowledge the original work.
