

WHAT'S IN A WORD?

.....a whole lot of letters all jumbled up, that's what!

Following are a bunch of letters that are used to form the names of stitches that we use in our embroidery. See if you can unscramble the letters and form the names. All of the letters are provided for each word, they just aren't in the correct order. Good luck! (Hint: They are all stitches that are in your "100 Embroidery Stitches" book!)
